ABOUT

Our mission is to provide comprehensive behavioral health services to native families. By establishing quality, culturally responsive behavioral treatment services, the Navajo Nation Division of Behavioral & Mental Health Services assures comprehensive alcohol and substance use prevention, education, treatment, and aftercare services through effective coordination, and development of behavioral and mental health infrastructure on the Navajo Nation.

TREATMENT CENTERS

As the largest behavioral and mental health provider on the Navajo Nation, with Administrative Offices in Window Rock, AZ the Division of Behavioral & Mental Health Services has nine outpatient treatment centers in Arizona and three outpatient treatment centers and one residential treatment center in New Mexico.
